

# ILAN MOROZ

## Full Stack Developer

Motivated Full Stack Developer proficient in React, JavaScript, Node.js, and other key technologies, I am looking to leverage my knowledge and skills in a challenging role. I bring a proactive mindset and strong dedication, ready to contribute to a dynamic team environment. Known for my strong interpersonal and collaboration skills, I am committed to continuous learning and personal growth. Excited to immerse myself in hands-on work experiences and bring a meticulous and organized approach to tasks, I am ready to tackle challenges head-on and make meaningful contributions to team success.

### EDUCATION

Tel Aviv

2022 - 2023

#### FullStack Course

*John Bryce*

Total Hours: 585

### PROJECTS

#### Independent Project

*Factory Management*

A comprehensive web application for managing a factory's departments, employees, and shifts. Built with the MERN stack. This project was independently initiated and completed post-studies to further develop and demonstrate my full-stack development skills.

### WORK EXPERIENCE

Ashkelon

2016 - 2021

#### Sales Representative:

*Best-Mobile*

Ashkelon

2021- 2023

#### Sales Representative:

*Win-Mobile*

### MILITARY SERVICE

- 2012 - 2015

Air Force - Airborne armament:

- During my service, I completed a team leader course and an office course.
- I had direct responsibility for a professional and diverse team .
- The role required motivating people, handling tasks, and dealing with complex stressful situations, which required focus, composure, and proper prioritization.
